TORNICENTRO

Octubre 2006, David Sossin, Hijo del ex dueño de Torneca y colaborador suyo, que en ese tiempo contaba con mas de 20 años de experiencia en el area de la tornillería, decide independizarse y formar su propia empresa (TORNICENTRO). E inicia lo que en ese momento sería un gran reto en su vida personal y profesional.

Gracias a Dios, a sus clientes, colaboradores, empleados, proveedores y amigos; TORNICENTRO cada vez avanza mas firme en el mercado nacional. Pero sobre todo ofreciendo calidad a sus productos, brindando servicio personalizado y con la filosofía clara que la diversificación de productos es vital para el crecimiento de la empresa.
